

POP-UP DISPLAYS

Portable displays are ideal when you are setting up a display or media backdrop yourself. They are simple to use and are supplied with transport/shipper cases.

There are two main styles of displays being Pop-Up Displays and Pull-Up Displays.

Our top of the line pop-up is very well engineered and used by our major clients who are after reliability and performance where the product is frequently used. A 25 year warranty applies to this model and it can be purchased in Kit form or complete with graphics. The Pop-Ups are available in two sizes and two heights being 1600mm and 2300mm.
